五、写作范文 (创新/创造/发明, 三套同话题)

Directions: For this part, you are allowed 30 minutes to write a short essay on innovation / creation / invention. Your essay should include the importance of innovation and measures to be taken to encourage innovation. You are required to write at least 150 words but no more than 200 words.

参考范文: Surrounded by the ever-accelerated updating of science and technology, a topic of innovation has been arising from all walks of life. A growing number of individuals, especially experts and scientists give weight to it. Diverse contributing factors can be identified to give explanations to this topic. Initially, the most significant value is that innovation can offer us a brand-new angle to see through to the essence of the matter. In addition, the fundamental reason mainly stems from the fact that obsolete views can be eliminated and replaced with innovative ideas. Finally, there are, still, other influential factors standing out among them. Someone who is creative is more likely to gain priority in the job market. In terms of giving measures to encourage innovation, I will list the following ones. For one thing, competitions in school are supposed to be launched with money award to encourage college students to make inventions and innovations. For another, society ought to establish TV propaganda, such as reality show to advocate the value of innovation.

六、翻译参考译文（本次三题，多题多卷）

翻译题（汉语学习/留学，第二套翻译题，参考译文节选）： With the booming development of Chinese economy, the number of people learning Chinese is in a rapid increase, which makes Chinese become one of the most popular languages for people to learn. Recently, the ranking of Chinese universities has risen in the world. The remarkable progress in Chinese education renders it no wonder that China has become one of the most popular destinations for overseas students to study abroad. In 2015, nearly 400,000 international students flocked to the Chinese market.

注：本套翻译题另有“度假/旅游”（见第1套）与第三题（来源未完整收录）。三套作文均为创新/创造/发明同话题，范文见上文。
