五、写作范文

题目

For this part, you are allowed 30 minutes to write a short essay commenting on the saying "The best preparation for tomorrow is doing your best today". You can cite

examples to illustrate your views. You should write at least 150 words but no more than 200 words.

参考范文（新东方武汉学校）

Someone once referred to that, "The best preparation for tomorrow is doing your best today." In other words, if we want to make full preparation for the future, we have to make full use of the present. Indeed, it is universally acknowledged that making the most of the present should be taken into serious account.

To begin with, effective actions play a key role in the course of achieving goals. As a consequence, it is imperative that we should take prompt actions to accomplish a future aim. On the other hand, we are supposed to attach due importance to efficiency, which exerts a critical impact on personal growth and future career. As a result, improving efficiency is what we cannot neglect.

In a word, effective and efficient actions must be taken by every individual for the sake of achieving great dreams. If we can make progress little by little, the dream will come true in the near future.

六、翻译参考译文

原题：《三国演义》

The Romance of the Three Kingdoms, a famous historical novel in China, was written in the 14th century. Based on the history of the Three Kingdoms period, this literary work describes the wars among Wei, Shu and Wu from the second half of the 2nd century to the second half of the 3rd century. The novel portrays almost a thousand characters and countless historical events. Although most of these characters and events are based on real history, they are romanticized and dramatized to varying degrees. The Romance of the Three Kingdoms is regarded as a literary masterpiece. Since its publication, it has attracted generations of readers and exerted a widespread and lasting influence on Chinese culture.
