五、翻译参考译文

原题（公共设施建设）：随着中国经济的快速发展和人们生活水平的稳步提高，城市居民对环境和生活品质的要求越来越高。中国地方政府更加注重公共设施的建设和改进，以更好地满足人们的需求。通过兴建新的广场、公园和公共绿地或对原有公共场地重新加以规划改造，许多城市为市民提供了更多休闲和社交的场所。如今，政府出资购置的健身器械和铺设的健身步道在不少城市随处可见，既明显改善了市民户外活动的条件，又使城市更加美丽。

参考译文：With the rapid development of China's economy and the steady improvement of people's living standards, urban residents have increasingly higher demands for the environment and quality of life. Local governments in China are placing greater emphasis on constructing and enhancing public facilities to better meet the needs of the people. By building new squares, parks, and public green spaces or transforming existing public areas, many cities provide residents with more recreational and social spaces. Nowadays, government-funded fitness equipment and paved fitness trails can be seen everywhere in many cities, which not only greatly

enhances the conditions of outdoor activities of the residents but also makes the city more beautiful.

六、写作范文

Directions: 教育目标相关作文（本套写作主题：Education has played an increasingly crucial role... One important goal is to help students master the ways to acquire knowledge.）

Education has played an increasingly crucial role in modern society. We aim education on different levels at cultivating the to-be successors of our global village. One important goal that education is trying to achieve is help students master the ways to acquire knowledge. Of all the capabilities one can develop to acquire knowledge in being educated, three sorts are of the greatest significance.
